# ENDORPHIN PRO 3

## The art of speed.

Inspire and electrify on every run with the Endorphin Pro 3. With its signature carbon-fiber plate and an even thicker stack of PWRRUN PB foam, you get more cushion and pop underfoot for the ultimate go-fast experience.

## Fast and free.

SPEEDROLL Technology and a powerful carbon-fiber plate propel you forward for effortless speed.

## Take it to the limit.

A 39.5mm stack of PWRRUN PB foam meets World Athletics guidelines while giving you as much of an edge as possible.

## It's all in the details.

Geometry, plate, foam, and fit. We've mastered the formula for an unbeatable ride.

# ENDORPHIN SPEED 3

## Work hard. Run faster.

There are no shortcuts to getting faster, but the right shoe can help. Meet the Endorphin Speed 3, featuring a newly designed winged plate that better supports and propels you through the rigors of daily training.

## We perfected the plate.

A reimagined S-curve winged nylon plate centers and supports your foot better for daily training.

## We did the math.

Updated geometry gives you a smoother ride and more pop and spring for serious speed.

## Fit for go-fast days.

A fully redesigned upper delivers a comfortable fit from heel to toe.

# ENDORPHIN SHIFT 3

## Elevate your everyday.

Get more of a good thing in the Endorphin Shift 3. With a higher stack of PWRRUN foam and a deeper midsole cradle to sink into, it makes your training plan feel like vacation mode.

## Hit cruise control.

Get the know the softer side of SPEEDROLL Technology with an extra 2mm of PWRRUN foam and an elevated PWRRUN+ sockliner.

## An upper that performs.

Durable and lightweight mesh pairs with a streamlined heel clip for support that doesn't weigh you down.

## Better transition.

With a new centralized torsional heel groove, you can touch down and roll forward more easily than before.

## It's about time.

Built on a superfoam-fueled guidance system, the all-new Tempus is the key to a smoother, faster run. Get max energy return from a core of PWRRUN PB cushioning, while a contoured PWRRUN Frame supports and propels you to a snappy takeoff. With signature midsole geometry and an unbeatable fit, the result is just the kind of ride you've been waiting for.

## Double up on cushioning.

PWRRUN PB gives you max energy return while a contoured PWRRUN Support Frame provides seamless support.

## A faster, smoother ride.

PWRRUN Frame supports your foot upon landing and its curved shape propels you to a snappy takeoff.

## Unbeatable fit.

With deeper contouring into the midsole, you sit into the shoe, instead of on top of it, for an incredibly personalized and supportive fit.

# TRIUMPH 20

## Forget pace. Find rhythm.

The best runs are the ones where you can slip into a groove, and the Triumph 20 lets you do just that. With a full focus on comfort, we've created our softest, lightest-ever PWRRUN+ foam and taken it to new heights for a smooth and irresistible ride.

## Easy rider.

Perfectly balanced, this shoe's new geometry and 10mm offset give it rocker-like attributes with an everyday twist.

## Upgraded cushioning.

It's everything you love about our super-soft PWRRUN+ foam, but lighter and with more pop.

## Comfort is key.

With a completely new upper and lacing design, you can step into a shoe that feels like it was made just for you.

# FREEDOM 5

## Running remixed.

HIIT. Strength. Cardio. Running. Whatever you’ve got, the Freedom 5 is ready to give you more. The ultimate crossover shoe, it’s packed with PWRRUN PB cushioning for incredible rebound that will power you through every rep and every step you take.

## Every rep. Every step.

Whether you’re testing your limits at the gym or on the road, the Freedom 5 is built lower to the ground for stability, agility and speed.

## Super cushioned, super power.

Ultralight PWRRUN PB gives you incredible cushioning and rebound no matter what your routine holds.

## A design as bold as you are.

Designed for your workout and beyond, the Freedom 5 sports a bold look that’ll make you stand out wherever you go.

# GUIDE 15

## Runs smooth. Feels amazing.

Every bit of the Guide 15 was designed with three things in mind: total comfort, a light feel, and an unbelievably smooth ride. It's softer, it's springier, and it's made to hug your foot like nothing else you've put on before. Delivering the running experience of your dreams, only it's very, very real.

## Lighter and smoother every step of the way.

With a softer, lighter PWRRUN formula and more midsole beveling, you get a thicker stack of cushioning and an incredibly smooth ride from heel to toe.

## Support that lets you fly.

HOLLOW-TECH gives you the underfoot support you need, but in a lightweight and minimalistic way.

## Fits just right.

By carving out the midsole and creating a deeper footbed, you sit into the shoe, instead of on top of it, for an incredibly supportive fit.

## Pump up the volume.

The completely redesigned Ride 15 is exactly what happens when softness, fit, and lightness all come together for an unbelievable running experience. Newly formulated PWRRUN gives you more soft cushioning with less weight (a whole ounce less), and new fit and contouring mean you can expect a wildly smooth ride out of this go-to shoe.

## Lighter. Softer. Faster.

A new softer PWRRUN formula means a thicker stack of cushioning with less weight, for your springiest run yet.

## Heel-to-toe smoothness.

New heel and forefoot beveling gives you a smooth stride, propelling you effortlessly from heel to toe.

## Fits like a dream.

With deeper contouring into the midsole, you sit into the shoe, instead of on top of it, for an incredibly personalized and supportive fit.

# ECHELON 9

## Comfort to the max.

The trusted Echelon foundation platform now with modern geometry, a softer, lighter feel, and a seamless upper design. A new take on a shoe built for uncompromising fit and performance.

## Extreme makeover.

Expect a dramatically improved feel and ride with increased toe spring and heel beveling, but the same roomy last and shape you love.

## More cushioning. Less weight.

With a thicker bed of our updated PWRRUN cushioning, it's a super soft ride that's way lighter than before.

## All the details.

From high thread-count marled mesh to supportive outsole wrapping at the midfoot, it's the little things that make all the difference.

# KINVARA 13

## We make it light. You make it fast.

When it comes to lightweight speed, nothing crushes the competition like the Kinvara. And this just so happens to be our lightest one yet. With more speed contouring and its signature flexible feel, it pushes you forward without holding anything back. These are the shoes you'll do big things in.

## Built to be fast.

The Kinvara 13 was literally designed for speed. Its beveled midsole and new midfoot contouring deliver a smoother, faster ride.

## An upper that'll take down the competition.

Its re-imagined upper is made with a single-layer mesh, giving you a lightweight feeling and even more breathability.

## Lighter. Faster. Stronger.

We created the lightest Kinvara ever to help you truly take off.

# ENDORPHIN EDGE

## This changes everything.

Built on a proven formula for speed, the Endorphin Edge trail runner is the performance advantage you've been waiting for. With a specialized carbon-fiber plate for incredible ground feel, it's propulsive, protective, and incredibly efficient—so you don't have to stop running until you want to stop running.

## The natural feel of unnatural speed.

An intuitive and flexible Carbitex AFX 3-quarter carbon-fiber plate gives you speed and efficiency without losing touch with the terrain beneath you.

## Stay cool. Stay dry.

With both higher absorption and faster evaporation, the lightweight mesh on the Endorphin Edge actively pulls moisture away from your foot, keeping you cool and dry.

## Next-level performance.

With a distance-friendly 6mm last, grippy PWRTRAC outsole, and deconstructed bootie fit, you have everything you need to go far and go fast.

# ENDORPHIN TRAIL

**Race to the top. Faster.**  
Built on a proven formula for speed, the Endorphin Trail is the performance advantage you've been waiting for. Featuring PWRRUN PB foam and a specialized carbon-fiber plate for incredible ground feel, it's propulsive, protective, and incredibly efficient—so you don't have to stop running until you want to stop running.

**Rolling hills meet their match.**  
Revolutionary SPEEDROLL Technology and PWRRUN PB go off-road, propelling you over trails effortlessly.

**Packed with grip.**  
A thin but mighty PWRTRAC outsole with an ascent/descent-friendly lug configuration is all you need for off-road confidence.

**Just-right fit and protection.**  
Comfortable, quick-fit trail sleeve gives you added protection from dirt and debris.

## A cut above.

If you want to feel fast and fearless, the Endorphin Trail Mid is your shoe. Lightweight yet maximally cushioned with PWRRUN PB, it will propel you up, down, and over even the gnarliest of trails, taking speed to a whole new elevation. And with a mid-cut upper for added protection, there's nothing that can get in the way of your run.

## Go off-road, not off-sped.

Revolutionary SPEEDROLL Technology and PWRRUN PB go off-road, propelling you over trails effortlessly.

## Packed with grip.

A thin but mighty PWRTRAC outsole with an ascent/descent-friendly lug configuration is all you need for off-road confidence.

## Incredible protection.

Go all out with a mid-cut upper that protects against trail debris and elements.

## Fit to go the distance.

The Xodus Ultra was built for the most demanding of trail endeavors, designed to go the distance from top to bottom. It's roomier and comfier with a brand-new 6mm last and built with mountain-ready grip and protection from heel to toe. Big on support and light on weight, nothing can hold you back from taking on all the miles that lie ahead.

## Our first priority? A reimagined last.

Everything about the Xodus Ultra was made to go the distance, starting with its new 6mm last, designed specifically to give you more room and comfort as you tackle mile after mile.

## Double up on cushioning.

Get max energy return with a full-length core of ultralight PWRRUN PB, and added durability and support with a resilient PWRRUN Support Frame.

## More flex. More grip.

A redesigned 3-piece PWRTRAC outsole gives you incredible traction on uneven terrain with increased flexibility for a smoother stride.

# RIDE 15 TR

## Run without boundaries.

The Ride 15 TR is a trail-to-road crossover that lets you choose your own path. It delivers comfort and spring with every step in a versatile, protective package, so no matter where your feet take you, you'll be ready for anything.

## Ride off road.

A segmented PWRTRAC outsole and lightweight yet durable upper provides versatility for the road and the trail.

## Lighter. Softer. Faster.

A softer PWRRUN formula gives you more cushion and less weight for your springiest trail and road runs.

## Comfort to go.

A beveled midsole with a higher stack of cushioning delivers an easy stride from heel to toe.

# WINTER FROST PACK

*“But I have promises to keep,  
and miles to go before I sleep.”*

Inspired by the closing sentiment of Robert Frost’s “Stopping by Woods on a Snowy Evening,” our Winter Frost Pack sticks to its promise, so you can keep yours. Built with all the weather-defying features our RUNSHIELD Collection brings, this pack allows you to train through anything with its water-resistant options for road and trail.

So, lace up, there’s plenty more miles to go.

# Technology Glossary

## COMFORT LITE SOCKLINER

Molded sockliner designed to hug the heel, provide support and reduce pressure in the forefoot. Designed with EVA foam for added cushioning.

## FORMFIT

360-approach to fit that ensures a secure, customized feel from top to bottom. Combines an underfoot cradle construction with soft cushioning and flexible upper materials that mold to the shape of your foot.

## FOUNDATION PLATFORM

Provides a highly versatile, accommodating fit and feel designed to maximize comfort and support. Specifically designed for compatibility with orthotics or shoe inserts.

## GEOMETRY

Everything from the curve of a midsole to its strategic offset, flex grooves and more. All the engineering that adds up to an effortless ride.

## HOLLOW-TECH

A lightweight, minimal TPU support structure that guides your stride without added bulk.

## iBR+

A light and cushioned blown rubber that is both durable and soft.

## OFFSET

Heel-to-toe differential of the shoe, inclusive of the midsole and outsole measurements.

## PWRRUN<sup>PB</sup>

Exceptionally bouncy and soft, this beaded superfoam delivers high-performance energy return and durability in an incredibly lightweight package.

## PWRRUN+

Formulated for the softest underfoot feel, this foam gives you an unbelievably plush and springy ride that's light as air.

## PWRRUN

Light and springy cushioning that gives you long-lasting energy return with a soft feel.

## PWRRUN FRAME

Works in tandem with a high-cushion core to support and power the stride.

## PWRTRAC

Trail-specific outsole rubber that gives you exceptional traction and grip with the durability to withstand rough terrain.

## SUPPORT FRAME

Molded support locks the heel in place for a secure, stable fit.

## SPEEDROLL

A blend of max cushioning and speed geometry that fuels you with non-stop momentum, so you can run faster, not harder.

## TRI-FLEX

Outsole design that protects from impact and flexes with the movement of your stride.

## VERSARUN

Durable EVA-based cushioning that feels responsive and performs across all kinds of activities.

## XT-900

Premium carbon rubber outsole material that offers exceptional traction and durability.

## XT-600

Carbon rubber outsole material that offers long-lasting durability and traction.

# Terms & Conditions

## Orders

All orders are subject to acceptance by Saucony, Inc. (hereinafter called SAUCONY).

## Weights

Weights listed for shoes are approximate and may vary. All shoe weights are examples based on a men's sample size 9 and women's sample size 8. Weights will vary by size.

## Prices

Prices are subject to change without notice. At-once orders will be invoiced at the prices prevailing at the time of shipments. Prices are not guaranteed except under SAUCONY's booking programs.

## Terms of sale

All SAUCONY goods shall be sold F.O.B. shipping point. Payment for all SAUCONY goods sold on open account will be due and payable pursuant to the terms and conditions stated on SAUCONY's invoice. The terms and conditions contained herein and in any SAUCONY Sales Orders take precedence over any terms and conditions set forth in Customer's Purchase Order or other similar document. Any sums not paid within net terms are subject to a late charge at the rate of the less or 1.5% of such amount per month (18% per year), or the highest rate permitted by law, until such amount is paid. Applicant shall pay costs, expenses and reasonable attorney's fees as SAUCONY may incur in any manner of collection of any sums past due. These terms of sale shall be constructed under Massachusetts law. Any proceeding arising out of, or in connection with, this agreement may be brought in any state or federal court of competent jurisdiction within the state of Massachusetts, and the Customer consents to the jurisdiction of such courts.

## Cancellations/Revisions

Any request for cancellation or revision of an order for SAUCONY goods must be made through the SAUCONY Customer Service Team. A request to cancel an order which has been entered into SAUCONY's order system must be made, in writing, at least three (3) weeks prior to the requested need date and is subject to SAUCONY's approval. During booking season, we begin shipping orders two (2) weeks before the requested ship date in order to accommodate the volume of orders we receive. Cancel dates are strictly adhered to.

## Loss or damage in transit

SAUCONY shall not be responsible for SAUCONY goods lost or damaged in transit. Customer shall be responsible for checking its shipment upon delivery for total carton count and condition. Any shortage in total carton count or evidence of damage to SAUCONY goods must be noted on the carrier's delivery receipt and reported to the carrier's local office immediately upon receipt of goods.

## Shortages in unopened cartons

All shortages must be reported to the SAUCONY Customer Service Team within ten (10) days from the date of SAUCONY's invoice. Customer shall be required to furnish SAUCONY with an invoice or shipping order number and an itemization of all shortages/overages by product code, size and quantity. Incomplete claims and claims filed more than thirty (30) days after the SAUCONY invoice date will not be accepted. Customer shall be required to furnish Customer's claim number, if any, when reporting a claim.

## Back orders

All back orders shall be shipped F.O.B. shipping point. No deductions are allowed for freight, parcel post or UPS charges. All back orders not shipped within thirty (30) days of the requested ship date will be canceled unless otherwise requested in writing by Customer.

## Defective returns

Returns of defective shoes must be authorized in advance by SAUCONY Customer Service. SAUCONY will issue the appropriate number of return authorization labels to Customer. All defective returns must have a valid SAUCONY return authorization label affixed to the outside of each carton. Cartons delivered without a valid return authorization label will be refused by SAUCONY. Returns must state what is defective on each shoe. Customer shall not package returns to stock with defective returns.

Authorized defective returns are to be shipped to:

Wolverine Worldwide  
6225 Millcreek Dr  
Mississauga, ON  
L5N 0G6

SAUCONY, in its sole discretion, will determine whether the goods are defective. If Customer does not provide the invoice number at the time of return request, SAUCONY shall credit Customer for defective returns at the prices prevailing on the date the credit is issued.

## Return to stock

All returns to stock of SAUCONY goods must be authorized in advance by SAUCONY Customer Service. Request for authorization to return SAUCONY goods must be made within thirty (30) days from the date of SAUCONY's invoice. SAUCONY's shipping order number or invoice number shall be required on all return to stock claims. SAUCONY will issue the appropriate number of SAUCONY return authorization labels to Customer. All returns to stock must have a valid SAUCONY return authorization label affixed to the outside of each carton. Cartons delivered without a valid SAUCONY return authorization label will be refused by SAUCONY. All returns to stock must be shipped prepaid. If the return to stock is due to a SAUCONY error, SAUCONY shall credit Customer for the return shipping charges upon receipt of Customer's freight bill. If return is due to a packing or shipping error, the original packing slip must be included with the return authorization. Without the packing slip, SAUCONY shall credit all returns to stock at prices prevailing on the date credit is issued. All returns to stock will be assessed a fifteen percent (15%) restocking charge unless the SAUCONY goods were shipped in error by SAUCONY.

Authorized new (return or stock) returns are shipped to:

Wolverine Worldwide  
6225 Millcreek Dr  
Mississauga, ON  
L5N 0G6

Additional charges will be assessed if re-boxing, unlacing, re-bagging or removal of Customer tags is necessary.

## Refused shipments

Freight charges and restocking fees may be applied to refused shipments.

## Closeouts

All SAUCONY merchandise that was shipped with Customer consent will not be considered for return. The shipments are on a ship and cancel basis and are final at the time of shipment.

## Consignment inventory

SAUCONY does not sell inventory on consignment. Customer is responsible for acceptance and payment of inventory sold under Terms and Conditions stated here.

## Transshipping

Customer shall not sell SAUCONY goods to another retailer, distributor or broker; within or outside of the United States, without SAUCONY's expressed written consent. Violation of this condition may result in termination of Customer's account and legal action.

## Distribution channels

Customer is prohibited from either (1) selling any SAUCONY products, through telephone solicitations, mail and direct order solicitations, on or in connection with catalogs, or through electronic commerce or any other electronic means (including but not limited to the Internet or any on-line services); or (2) advertising or promoting any SAUCONY products, or in any manner using the SAUCONY name or any mark or logo of SAUCONY, by electronic commerce or any other electronic means (including but not limited to the Internet or any on-line services), without the prior written approval of SAUCONY for any such sales or advertisements. SAUCONY may grant or withhold approval in its sole discretion, and any approval shall be subject to such terms and conditions as SAUCONY deems desirable.
