FEATURED TECHNOLOGIES

dynamically flexible upper stretches in all the right places to create a perfectly individual fit.

super soft uppers and a highly flexible outsole create the feel of your most comfortable sneakers.

specially-engineered membrane ensures dry feet and optimal comfort in any weather.

easily removed insole allows for insertion of custom orthotic device.

proprietary responsive sole that dynamically reacts to pressure for instant foot support.

environmentally friendly, naturally anti-bacterial, wonderfully comfortable.

seamless forefoot avoids pressure points in the most important spots.

hydrophobically treated surface materials are water-repellant to keep your feet dry

ultra-light with innovative GEL cushioning system in forefoot and heel area
