

APEX FOOTWEAR CATALOG

Apex Foot Health Industries was founded upon one mission: to be the industry leader in designing and manufacturing the highest quality footwear and to extend patient outcomes and improve lives.

For 75 years, our meticulous fabrication process has only improved, leading us to develop a standard of excellence in every shoe we make:

Superior Quality, Construction, Adjustability, Fit, Functionality and Protection

Our footwear must meet the gold-standards that continue to make Apex the trusted brand of choice for you and your patients, over generations.

With trust comes responsibility and a steadfast dedication to explore and invest in the latest research, development, design features, materials, construction and manufacturing technologies.

Improving quality and consistency is only possible with the feedback from our loyal customers. It is these partnerships that help us strengthen the DNA of our products through a mutual endeavor to provide better quality care, comfort and relief for more people.

Thank you for being a valued customer and for helping Apex continue to fulfill our mission.

Jēba Men's and Women's compression hosiery wear includes preventative and medical gradient compression levels, available in mild/moderate 15-20 mmHg and moderate/firm 20-30 mmHg compression. Jēba combines function and fashion, but more importantly comfort and support.

Our experts reviewed and compared the leading brands in the industry before designing a compression hosiery line that would take the best of the best, and came up with a superior product line. Jēba is made from premium yarns, using the most advanced manufacturing technologies in the industry to ensure top-quality and optimum outcomes with lower extremity health and wellness in mind.

Jēba Features:

- Easy-on and easy-off graduated compression
- Non-slip support for thigh-high and pantyhose styles
- Non-binding top bands
- 100% latex-free materials
- Durable and breathable material blends

Designed with you in mind

Different conditions and lifestyles require different compression levels. Our sock and hosiery products are designed with every customer and lifestyle in mind.

Jēba is recommended for the following conditions:

- Venous stasis – blood clotting and pooling
- Lower extremity pain and fatigue
- Circulation issues resulting from diabetes
- Edema/swelling
- CVI (Chronic Venous Insufficiency)
- DVT (Deep Vein Thrombosis)
- Phlebitis – inflammation
- Venous ulcers
- Lymphedema

Jēba is ideal for the following people:

- Those who suffer from diabetes
- The Aging and Elderly
- Those with venous diseases
- Runners & athletes
- Those who work on their feet
- Frequent travelers
