les garde au sec

BIRKENSTOCK SOFT FOOTBED SEMELLE MATELASSÉE DE BIRKENSTOCK

Some styles feature the Birkenstock Soft Footbed, our Classic Footbed with an extra layer of cushioning foam inserted between the suede footbed liner and the layers of cork and jute below. This layer of memory foam naturally rebounds to its original form and generates long-lasting cushioning comfort.

Certains styles offrent la semelle matelassée Birkenstock, notre semelle classique assortie d'un coussinet de mousse supplémentaire inséré entre le recouvrement de suède et les couches de liège et de jute en dessous. Cette couche de mousse mémoire reprend naturellement sa forme originale et crée un coussin de confort de longue durée.

5 MORE TOE ROOM

PLUS D'ESPACE POUR LES ORTEILS

Allows toes to move naturally, which promotes better balance and foot alignment from toe to heel

Permet aux orteils un mouvement naturel assurant un meilleur équilibre et un alignement du pied des orteils au talon

ARCH SUPPORTS

ARCH SUPPORTS

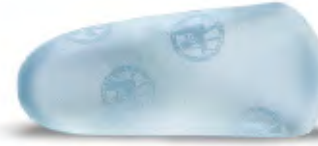

TECHNICAL DATA

BLUE FOOTBED CASUAL SPORT

This arch support is made of a cork and EVA mixture topped with a liner made from 73% cotton and 27% viscose to absorb and wick away moisture. The contoured arches and deep heel cup provide similar arch support to a Birkenstock classic footbed sandal making it great for almost everyone. It is thin, lightweight and flexible so it takes up minimal room in your footwear while ensuring proper alignment and balancing foot impact areas.

- Best worn in casual, dress and walking shoes
- Arch support for flat shoes
- Recommended for all arch types
- Style # N 1001174 \ M 1001173 \ W 1001172
- Size: 35-48
- Wholesale: \$30.00 / SRP: \$60.00

BLUE FOOTBED HEELED TRADITION

This arch support is made of a cork and EVA mixture topped with a liner made from 73% cotton and 27% viscose to absorb and wick away moisture. The Blue Footbed Tradition arch support has a higher medial (main) arch and less pronounced metatarsal support than the Blue Footbed Casual Sport which is what makes it different, unique and excellent to first wearers to our Birkenstock products.

- Best worn in casual, dress and walking shoes
- Arch support for heeled shoes up to 1"
- Recommended for all arch types
- Style # N 1001158 \ M 1001157 \ W 1001156
- Size: 35-48
- Wholesale: \$30.00 / SRP: \$60.00

ARCH SUPPORTS

TECHNICAL DATA

BIRKO BALANCE

This high flange arch support is made of BirkoKork™ and EVA and has a durable breathable leather liner. Provides maximum stability, pronounced transverse arch and aids in controlling over pronation. This is our most requested arch support for relief of plantar fasciitis symptoms.

- Best worn with casual shoes and walking shoes
- Recommended for average to high arch feet
- Style # M 1001198 \ W 1001197
- Size 35-47
- Wholesale: \$30.00 / SRP: \$60.00

BIRKO NATURAL

This low flange anatomically shaped footbed has an added layer of soft latex foam providing extra cushioning while reducing stress on the knees, spine and hips. The soft footbed arch support provides mild support with extra cushioning.

- Best worn with casual shoes and walking shoes
- Recommended for low to average arch feet
- Style # W 1001296
- Size 36-46
- Wholesale: \$30.00 / SRP: \$60.00

BIRKO FLEX

This moderate flange arch support is waterproof, light-weight and flexible. Made of washable EVA, it features a deep heel cup and pronounced metatarsal support. It can be easily ground and beveled for custom accommodation.

- Best worn with sport shoes and work shoes
- Recommended for low to average arch feet
- Style# M 1001170 \ W 1001169 N 1001171
- Size 35-48
