FEATURED TECHNOLOGIES

super soft uppers and a highly flexible outsole create the feel of your most comfortable sneakers.

dynamically flexible upper stretches in all the right places to create a perfectly individual fit.

proprietary responsive sole that dynamically reacts to pressure for instant foot support.

TPU heel spoon, TPU strap fixation and more so you can just slip them on and go.

sole designed for dynamic walking motion and co-developed Ortholite®-Motion footbed.

specially-engineered membrane ensures dry feet and optimal comfort in any weather.

hydrophobically treated surface materials are water-repellant to keep your feet dry.

environmentally friendly, naturally anti-bacterial, wonderfully comfortable.

easily removed insole allows for insertion of custom orthotic device.
